

**Common Core: Math**  
**5<sup>th</sup> Grade Module 3**

MD: Measurement and Data  
 OA: Operations and Algebraic Thinking  
 NBT: Numbers and Operations in Base Ten  
 NF: Numbers and Operations-Fractions  
 G: Geometry

Topic	Standards	Help
Equivalent Fractions Lessons 1-2	5.NF.1           5.NF.3c/d	<a href="#">Add and subtract fractions and mixed numbers with unlike denominators using fraction bars</a>  <a href="#">Add and subtract fractions and mixed numbers with unlike denominators using area models</a>  <a href="#">Add and subtract fractions with unlike denominators</a>  <a href="#">Add and subtract mixed numbers</a>  <a href="#">Interpret a fraction as division and answer division problems using fractions</a>  <a href="#">Interpret fractions as division and solve problems leading to answers in the form of fractions</a>  <a href="#">Interpreting fractions as division of the numerator by the denominator</a>  <a href="#">Interpret fractions as division and solving word problems involving division of whole numbers resulting in fraction answers</a>  <a href="#">Understand fractions as a division of the numerator by the denominator</a>
Fraction Addition and Subtraction: Making Like Units Pictorially Lessons 3-7	5.NF.1           5.NF.2	<a href="#">Add and subtract fractions and mixed numbers with unlike denominators using fraction bars</a>  <a href="#">Add and subtract fractions and mixed numbers with unlike denominators using area models</a>  <a href="#">Add and subtract fractions with unlike denominators</a>  <a href="#">Add and subtract mixed numbers</a>  <a href="#">Assess the reasonableness of answers to word problems involving the addition and subtraction of fractions</a>

		<p><a href="#"><u>Solve word problems involving the addition and subtraction of fractions with unlike denominators</u></a></p> <p><a href="#"><u>Solve word problems involving addition and subtraction of fractions referring to the same whole (2)</u></a></p> <p><a href="#"><u>Solve word problems involving addition and subtraction of fractions referring to the same whole (1)</u></a></p> <p><a href="#"><u>Add and subtract fractions</u></a></p>
